

**Olivia Firth**

**Occupational Therapist**

**WizeTherapy**

Olivia has experience in Early Childhood Intervention and has gained specialised training in the areas of fine and gross motor development; autism spectrum disorder; play; emotional and sensory regulation. Olivia's passion for working with people shows through the relationships that she builds with children, families, teachers and support staff alike.

Olivia is committed to fulfilling the individual needs of children and their families and prides herself on her enthusiastic and dedicated approach to therapy.

She very much enjoys working within a school environment and collaborating with the educational staff to ensure positive outcomes in all learning environments.

Olivia's key focus is to provide a high quality of service to all and to ensure that all therapy is client centred, fun and engaging.
